## HAD TERRIBLE SKIN DISEASE

Little Girl Improves Rapidly When Given  
ZIRON Iron Tonic.

Many mothers try one remedy after another, for the sufferings of their little ones, without apparently being able to find the right one. If anything seems wrong with the blood, or stomach, or if the child's system is run-down and needs strengthening, you may benefit by the experience of this Westmoreland, Tenn., mother, Mrs. John F. Anglea, who writes:

"My little girl had a terrible skin disease and her stomach was in such a bad condition. Nothing helped her, so we finally started to give her Ziron.

She improved so rapidly from the first bottle, so we have given her two more. She is much better.

Don't try other remedies first! Choose Ziron from the start. It has benefited many people suffering from poor blood, general weakness, loss of appetite and other symptoms which indicate lack of iron in the blood.

## Has Winter Worn You Down?

Sickness That Lingers, or  
Strain of Caring for Others,  
Makes Spring  
Days Dangerous

Get Back Your Strength

Red Blood Means Old-time  
Vigor, and Pepto-Mangan  
Builds Rich, Red Blood.

Perhaps you've been ill this winter—or others in the family have, and you've worn yourself out with extra burdens. And now your strength is slow to return.

Week after week you've felt too tired for anything, and have looked it too—color bad, eyes dull, and no enthusiasm.

When you don't feel well you are not well. Probably what you need right now is the good blood tonic, Pepto-Mangan. Physicians everywhere recommend Pepto-Mangan for run-down, anemic people. Ask your doctor about it. Pepto-Mangan supplies the things that blood-starved people lack. It puts iron and vigor in the blood. It paints the cheeks in Nature's way, and restores the hearty appetite.

The blood is naturally sluggish in the Spring and the whole family would profit by taking Pepto-Mangan which tones up and builds up. It is pleasant-tasting and soon makes you feel better. Your own druggist has it ready for your call, and in both liquid and tablet form, just as you prefer.

But to be certain that you get the genuine Pepto-Mangan, ask for it by the full name, "Gude's Pepto-Mangan." Look for the name "Gude's" on the package.

### DRUMRIGHT, OKLA.

Drumright, Okla.  
March 17, 1920.

Dear Sentinel:

Hello! Burrstorn, how is everybody. Still on the map I suppose, but I never see any news from that place. I have homefolks that hang around that burg. Wish news would move a little faster.

Mrs. Herman Poston visited Ernest Poston and wife on the 9.

Bart Smith is a true citizen of Pleasant Hill.

Clyde Wheat enjoys his evening car ride. He says Fred Smith is too fast, or too slow, but I think he is really dreaming of "Home sweet home."

Claude Brown arrived in Drumright a few days ago, but hasn't been lucky enough to find work yet.

Lee Wheat and John V. Poston left Pleasant Hill en route to Drumright, where pleasure always awaits you.

Come on Sugar creek with some more good news.

We are having a lot of rain in this part of the oilfields.

Grady Smith and family, who have been on the sick list for some time, are improving.

Wonder if Albert Masters is thinking of making Drumright his future home. Come on Albert, you made a mistake in the girls names. Cheer up old sport and have a heart.

Where has Jim Wright and wife been so long? News goes and comes but doesn't stay.

Also wonder where Doris John

son is spending her time.

Arlo Wiley has decided to go back to work.

Will Carlisle was seen in Pleasant Hill Sunday.

The Pleasant Hill debating Society will meet to night. The club will debate the subject, "which did the most important part in the world's war, the Army or the Navy." We will meet every Friday night.

Come on New Hope, we enjoy anything from home.

Lafe Wheat was seen buying a ticket for home. He is going back to play ball this season.

A Burrstorn Burglar.

## POULTRY PROFITS DEPEND ON HEALTHY CHICKS

Mr. Williams, a very successful Oklahoma Poultry Raiser, recently said to Dr. LeGear: "Since I have been using your Poultry Prescription, not only have I cut down Chick loss, but I find that my pullets lay a month or two earlier." A few pennies wisely spent in feeding Dr. LeGear's Poultry Prescription to Baby Chicks insures rapid development and early fall and winter laying. Get a package from your dealer. Satisfaction or money back—Dr. L. D. LeGear Med. Co., St. Louis, Mo.

## Demand to Dog Owners.

By authority vested in me as County Tax Assessor under the acts of the General Assembly of 1919, I demand the license fee on all dogs of any kind or breed, six months old or over. Senate Bill No. 487, Sec. 4, reads as follows:

"Be it further enacted, That any person who shall keep or harbor any dog and shall not have paid the County Assessor or Trustee the license as above specified within thirty days from the date on which the County Tax Assessor demanded payment and received his receipt for such payment, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined not less than ten nor more than fifty dollars by any court having competent jurisdiction thereof."

Section 9 reads as follows:

"Be it further enacted, That it is hereby declared a misdemeanor for any person to keep, own or harbor any dog or dogs, as above provided, who has not paid the County Assessor or County Trustee the required license fee on such dog or dogs, and upon conviction thereof shall be fined not less than ten nor more than fifty dollars by any court of competent jurisdiction."

The above demand is made this March 15, 1920.

Yours most respectfully,

A. O. Birdwell  
County Tax Assessor.

## HANDS, ARMS, LIMBS ASLEEP

And Was Run-Down, Weak and Nervous, Says Florida Lady.  
Five Bottles of Cardui  
Made Her Well.

Kathleen, Fla.—Mrs. Dallas Price, of this place, says: "After the birth of my last child... I got very much run-down and weakened, so much that I could hardly do anything at all. I was so awfully nervous that I could scarcely endure the least noise. My condition was getting worse all the time."

I knew I must have some relief or I would soon be in the bed and in a serious condition for I felt so badly and was so nervous and weak I could hardly live. My husband asked Dr. about my taking Cardui. He said, "It's a good medicine, and good for that trouble," so he got me 5 bottles... After about the second bottle I felt greatly improved... before taking it my limbs and hands and arms would go to sleep. After taking it, however, this poor circulation disappeared. My strength came back to me and I was soon on the road to health. After the use of about 5 bottles, I could do all my house-work and attend to my six children besides."

You can feel safe in giving Cardui a thorough trial for your troubles. It contains no harmful or habit-forming drugs, but is composed of mild, vegetable, medicinal ingredients with no bad after-effects. Thousands of women have voluntarily written, telling of the good Cardui has done them. It should help you, too. Try it.

## A Good Job of Planting Is Certain

The distinctive picker wheel used on the combined cotton and corn planters that we have in stock makes these planters just as accurate as though the seed were picked out and dropped by hand.

We want to show you one of our John Deere No. 106 Cotton and Corn Planters. Other conditions being right, it will get for you the biggest crop your land will sustain. It saves

seed, and that is no longer a small item.

The steel picker wheel, with teeth shaped like the teeth of a gin saw, separates the fuzziest, lightest seeds without injury, and drops them, one at a time. It is the one big improvement in cotton-planter construction.

It does its work consistently, whether the hopper is full or nearly empty, because lint and trash are carried out with the cotton and not left to accumulate in the hopper. The spider and stirrer in the hopper keep the seed feeding uniformly to the picker wheel. No clogging or choking. You control the drop by a thumb screw adjustment. You regulate the flow of seed to suit the field you are planting.

Using one of these planters may be the means of putting more money into your pocket this season. Come in and personally inspect them. That is the best way to decide.
